Job Title: Morning Edition Producer

Come work with the award winning WABE news team. This is a professional position serving as a morning edition producer for WABE 90.1FM. This position requires experience in news script writing, audio editing, show timing, guest booking, interviewing and reporting both local and state news in accordance with NPR style. As a morning edition producer, responsibilities include but are not limited to generating news ideas, present enriching stories, and an ability to respond to breaking news. This position is supervised by the host/senior producer.

Accountabilities:

- Works under the direction of host/senior producer
- Books sources for interviews and edits for broadcast.
- Generates creative programming ideas and gathers audio for show as needed.
- Serves as WABE reporter for local and national news programs, presenting local news reports in a conversational, public radio style.
- Works in cooperation with the news department to compile stories and live, on-air presentation of local content for news programs. This will be a combination of in-studio production, interviewing (some live), coverage of special news assignments as directed, working with technical equipment related to broadcasting, participating in mandatory on-air fundraising.
- Hosting on-air during news programs may be required, and air shifts will vary depending on needs of the station and station management. .
- Works on deadlines and attends planning meetings.
- Participate in all radio fund raising activities and related production.
- Other duties as assigned by Station Management.

Knowledge, Skills and Abilities:

Experience and Education Requirements

- BA Degree and minimum of three years of applicable experience.
- Demonstrated experience and proven track record in gathering news, anchoring/reporting, writing scripts as well as interviewing and production.
- Demonstrated experience in developing and producing news content (Ability to use desktop editing, studio production equipment, and reporter field kit).
- Must be able to set up and engineer two-way interviews.
- Must be able to quickly make judgments and know how to analyze what is newsworthy.

740 Bismark Road NE,
