JOB DESCRIPTION DEPOT

Powered by PMBA in partnership with Current.

PMBA is excited to announce the relaunch of the [Job Description Depot](#) in partnership with Current! Let us take the stress out of recruitment by providing you with hundreds of job descriptions others in public media have written for similar positions.

Our online searchable database allows members to filter by job category, station type,

licensee type, and station size. The tool currently contains over 600 positions with new positions being added monthly. We've got you covered!

Spending Bill Approved by Congress Boosts CPB Appropriation for 2024

Current

An omnibus spending package approved by both chambers of Congress provides a \$50 million increase in CPB's base appropriation for fiscal year 2024.

Under the Consolidated Appropriations Act of 2022, the corporation will receive \$525 million in federal funds in FY24, up from \$475 million approved last year for FY23. CPB's base appropriation is funded two years in advance of the annual federal budget process. [Read more.](#)

Public Media Highlights History-Making Women During Women's History Month

Corporation for Public Broadcasting

From profiles of female pioneers like House Speaker Nancy Pelosi and conductor Marin Alsop, to journalists breaking gender and caste barriers in India, public media highlights a range of stories about remarkable women throughout March, Women's History Month. [Read more.](#)

FCC Considers 'Designated Hitter' to Ensure EAS Reaches Non-English Speakers

Inside Radio

There is a lot of talk about designated hitters at the Federal Communications Commission lately, and it has nothing to do with the start of baseball season. The FCC in December launched a proceeding which aims to make the Emergency Alert System more accessible. It also opened the door to bigger changes. The National Association of Broadcasters believes that includes a move to formalize a process in which stations would partner with a non-English station in their market and step in to provide information during an emergency if the non-English station is knocked off the air.
