JOB DESCRIPTION DEPOT

Powered by PMBA in partnership with Current.

PMBA is excited to announce the relaunch of the [Job Description Depot](#) in partnership with Current! Let us take the stress out of recruitment by providing you with hundreds of job descriptions others in public media have written for similar positions.

Our online searchable database allows members to filter by job category, station type,

licensee type, and station size. The tool currently contains over 600 positions with new positions being added monthly. We've got you covered!

Biden Administration Requests \$565M for CPB in FY2025, Supports Proposed Change to Interconnection Funding

Current

President Joe Biden's budget request for fiscal year 2023 proposes a \$40 million increase to CPB's federal appropriation and interconnection funding and endorses a CPB proposal to change how it funds interconnection and infrastructure. [Read more.](#)

Survey Says AM/FM Radio Still #1 in the Car

Radio World

How ironic it seems that the oldest of all electronic media—AM/FM radio, still holds the top position in The Infinite Dial 2022's survey of in-car media. Another legacy device, the car CD player, according to the research, is still ranked in third place. That said, their lead is slowly being eroded by the newcomers. AM/FM radio slipped just two percentage points from 75 to 73 percent, while the CD player remains unchanged with 35 percent. [Read more.](#)

OSHA: Some Travel Injuries Must Be Recorded

SHRM

Injuries that occur during normal commutes have long been held to not be recordable on Occupational Safety and Health Administration (OSHA) logs, but some travel injuries are recordable, according to an OSHA letter of interpretation. [Read more.](#)
