

Thank you for your continued participation as a sponsor on the National Registry of CPE Sponsors.

We are pleased to report that the membership renewal of Public Media Business Association (PMBA) has been approved and your membership is now effective through 5/1/2015. The specifics of your membership are as follows:

- **Sponsor Identification Number: 103686**
- **Delivery Method: Group-Live; Group-Internet Based**
- **Program Level: 26-50**

Your approval has been based upon the responses you provided during the self-certification renewal process. The self-certification renewal process is designed for sponsors to confirm their continuous compliance with the *Statement of Standards for Continuing Professional Education (CPE) Programs (revised January 2012)* (Standards) and the program requirements of the National Registry of CPE Sponsors.

Please note that the actual review of your course material will occur through an audit process. If you are selected for a desk audit of your course material, you will be contacted by a staff member of the NASBA CPE Registry Team and may be requested to provide some additional information.

Your status as a registered sponsor affirms your commitment to adhere to standards for the delivery of high quality continuing professional education. You are not required to provide us with any additional program information during your registration period, unless the number of programs you offer exceeds your approved limit of programs or you wish to add an additional delivery method.

Adding/Changing Programs

Please note that before you begin to offer CPE credits for additional delivery methods, your organization must complete the Additional Delivery Method application and undergo a review process. To begin the ADM application process, please complete and submit an Interest Form which is available at www.learningmarket.org. Issuance of CPE credits using unauthorized delivery methods may put your membership status at risk.

Company Changes

It is important for you to keep us informed of any significant changes to your company. Sponsors are required to notify us, in writing, of any changes in address, telephone/fax numbers, main contact person, or the company's name or status no later than 30 days after such changes occur. An [online form](#) for change of name, contact or address is located on LearningMarket.org.

Learning Market

As a registered sponsor, your company has been provided a *complimentary sponsor profile on LearningMarket.org and is entitled to list an unlimited number of courses on the website*. Please visit www.learningmarket.org to learn more about benefits of membership and to update and expand your sponsor profile and course listings. In keeping with past practices, your name and address are listed on a registry that is distributed to state boards of accountancy and made available to licensed accountants across the country.

News and Networking

Don't forget! As part of your membership, you are automatically added to our mailing list to receive our quarterly eNewsletter, the CPE Monitor. This eNewsletter was designed specifically to communicate news, updates, industry best practices, tips for getting the most out of your membership and more. Be sure to add our @nasba.org domain to your whitelist to make sure you receive emails from us.

Missed an issue? [Click here](#) to read past editions of the CPE Monitor.

In case you missed it, we have also created a group on LinkedIn for the Learning Provider community. The NASBA Learning Provider Forum is open to all learning providers offering educational courses used in the certification and licensure of professionals across a variety of industries. Professionals who are dedicated to developing and sharing best practices in the field of continuing education are encouraged to sign up.
